The Government have examined in detail the norms prescribed under Para 4 II (3) in the letter second cited and now issue the following amendment.

AMENDMENT

The existing Para 4 II (3) shall be substituted as follows:

"The punishment of censure has no currency. Whenever an officer is undergoing any punishment, other than censure, on the official date or on the date of consideration, then irrespective of the time of occurrence of the irregularity, his name should be passed-over for that panel. If the currency of punishment continues at the time of subsequent consideration for the next panel (s), he should still be passed-over on the grounds that an officer should not be considered for promotion or promoted during the currency of any punishment. After the completion of its currency, no punishment should be held, once again, against an official even it falls within the check period of any panel, if it has already been held against the official on any earlier occasion".
