2. G.O. Ms. No.170, Finance (PC) Department, Dated:21.4.98.

ORDER:

Prior to the introduction of the revised scales of pay based on the recommendations of the Official Committee (1998), employees who have reached the maximum of the time scale of pay were granted stagnation increments beyond the maximum of the pay scale at the rate of last increment once in two years upto reaching pay plus stagnation increment amounting to Rs.6,000/-. However, no such orders were issued in the revised pay scales (1998). According to rule 4(1)(b)(ii) of the Tamil Nadu Revised Scales of Pay Rules, 1998 the fixation of pay in the revised pay scale should be limited to the maximum of the revised pay scale.

2. Several Employees Associations have represented before the One Man Commission that the above concession has not been extended in the revised pay scales following the recommendations of the Official Committee. The One Man Commission, among other things has recommended that employees who have reached the maximum of the time scale of pay in the revised scales of pay be allowed biennial increment without any restriction.

An illustration is annexed to this order.
