I am to invite attention to the Government order cited wherein consolidated instructions have been issued regarding Voluntary Retirement.

In this connection, I am to state that this office was returning the voluntary retirement cases where the Government servant was on ECL during the notice period for getting ratification orders of Government or pensionary benefits were admitted without allowing weightage to qualifying service.

As the orders of Government have since been issued in the above reference to regulate such cases those cases already returned to the department or admitted without allowing weightage are to be received back in this case for finalisation as per the above orders. Hence, I am to request Government to address all Heads of Office to forward such proposals to take necessary action.
