All Heads of Department.

Sir,

Sub: Pension - Reduction in the maximum qualifying service for full pension - Orders issued - Clarification - Issued.

Ref: 1) G.O.Ms.No.461, Finance (Pension) dated 31.7.1996.  
2) From the Principal Accountant General (Accounts & Entitlements), Chennai-18 Letter PMI/III/3-1/96-97/376 dated 8.11.1996.

*B. S. S. S.*

In the G.O. first cited, orders have been issued reducing the maximum qualifying service from 33 years to 30 years to become eligible for full pension by the Government servants after retirement. It was also ordered in the said G.O. that pension shall be determined based on the 50% of average emoluments drawn during the last 10 months of service rendered or 50% of pay last drawn by the Government servants whichever is higher.

2. A question arises whether the term 'Pay' referred to the G.O. first cited means the emoluments last drawn by the Government servants i.e. basic pay plus admissible percentage of pay to be reckoned as Dearness pay for the purpose of pension, since it would be advantage to the Government servants only in that case.

3. I am directed to clarify that the term 'Pay' referred to in the G.O. first cited shall include basic pay plus admissible percentage of pay to be reckoned as Dearness Pay with reference to G.O.Ms.No.810, Finance (Pay Commission) dated 9.8.1989 for the purpose of calculation of pension.

Yours faithfully,

*S. S. S. S.*
